report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

**NOTE -1: SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDING 31<sup>st</sup> MARCH, 2022**

**1.1 CORPORATE INFORMATION:**

SitiCable Broadband South Limited (hereinafter referred to as the 'Company') is registered in Bangalore, Karnataka, and is a wholly owned subsidiary of SITI Networks Limited (hereinafter referred to as the 'Parent Company'). The Company is in the business of providing cable TV services to the end consumers.

**1.2 BASIS OF PREPARATION:**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

For all periods up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

These financial statements are the first financial statements of the Company under Ind AS.

The accounting policies have been consistently applied by the Company.

All assets and liabilities have been classified as current and non- current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Act. Based on the nature of business and the time between the acquisition of assets and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities

**1.3 USE OF ESTIMATES:**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future periods.

Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalized.

**1.4 RECOGNITION OF REVENUE:**

Revenue is recognized when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebates and taxes. The Company applies the revenue recognition criteria to each separately identifiable component of the sales transaction. Subscription income is recognized on completion of services and when no significant uncertainty exists regarding the amount of consideration that will be derived. Carriage Income receivable from SCNL is not recognized as revenue and no effect of Carriage sharing, pay channel and related costs payable to SCNL is given in the books of accounts.

**1.5 RECOGNITION OF INCOME AND EXPENSE:**

Items of income and expenditure are recognized on accrual basis.

## **1.6 PLANT, PROPERTY AND EQUIPMENT**

Plant, properties and equipments are carried at the cost of acquisition or construction less accumulated depreciation. The cost includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets.

Depreciation / amortization on plant, properties and equipments is provided at rates computed on the basis of useful life of assets as specified in Schedule II of the Companies Act, 2013 except in case of intangible assets and leasehold improvements on which depreciation is provided at rate as mentioned below which in view of the management represents the useful life of assets. Assets costing less than Rs 5,000 each, are depreciated in full excluding residual value as per Schedule II, in year of purchase.

### **Asset category Rate of depreciation/ amortization**

Intangible assets	Straight Line Method
Leasehold improvements	Over the lease term or useful life whichever is lower

However, during the current year no depreciation has been provided on tangible assets as the remaining carrying amount is equal to the 5% of the original cost.

## **1.7 INVESTMENTS:**

Non-current investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

## **1.8 INVENTORIES:**

Inventories are valued at the lower of cost and net realizable value. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

However, the company does not have any inventory during the current year.

## **1.9 INCOME TAXES:**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

During the current year, the company has incurred losses and hence there is no tax liability.

## **1.10 EVENTS OCCURRING AFTER BALANCE SHEET DATE:**

Events occurring after balance sheet date which affect the financial position to a material extent are taken into cognizance, if any.

### **1.11 PROVISIONS, CONTINGENT ASSETS AND CONTINGENT LIABILITIES:**

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Liabilities are generally not provided for in the accounts are shown separately under notes to the accounts if any.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

#### **Recent accounting pronouncements (standards issued but not yet effective)**

In March 2019, the Ministry of Corporate Affairs (MCA) issued the Companies (Indian Accounting Standards) Amendment Rules, 2019 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2019, notifying new standards and amendments to certain issued standards. These amendments are applicable to the Company from April 01, 2019. The Company will be adopting the below stated new standards and applicable amendments from their respective effective date.

#### **a) Ind AS 116, Leases:**

Ind AS 116 supersedes Ind AS 17, Leases. Under Ind AS 116, a lessee will recognise a liability to make lease payments (i.e., in the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right of use asset) at the commencement date of lease. Lessees will be required to separately recognise interest expense on the lease liability and depreciation expense on the right of use asset. Lessor accounting under Ind AS 116 remains substantially unchanged from accounting under Ind AS 17. Ind AS 116 is effective for annual periods beginning on or after April 01, 2019. The Company is evaluating the requirements of the standard and the effect on the financial statements.

#### **b) Appendix C, Uncertainty over Income Tax Treatment to Ind AS 12, Income Taxes:**

The Appendix clarifies how to apply the recognition and measurement principles while recognizing current tax, deferred tax, taxable profits (losses), tax bases, unused tax losses, unused tax credits and tax rates when there is uncertainty over tax

treatments under Ind AS 12. As per the Appendix, the Company needs to assess whether it is probable that a tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings.

The impact of the Appendix on the Financial Statements, as assessed by the Company, is expected to be not material.

**c) Amendment to Ind AS 12, Income Taxes:**

The Amendment clarifies that an entity shall recognize income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

The Company will apply these amendments for annual reporting periods beginning on or after April 01, 2019. The impact on the Financial Statements, as assessed by the Company, is expected to be not material.
